Περίληψη Συζήτησης με τον Καθηγητή Γεώργιο Πρεβελάκη

In the festive pre-Christmas luncheon of its members (17.12.19), STRABO featured the distinguished Professor Dr George Prevelakis, currently Permanent Representative of Greece to OECD, in Paris. The honored guest and noted geopolitical thinker, shared his views with STRABO's members and friends about challenging of established equilibria in Central and Eastern Mediterranean by some regional players and the sources of their conduct. He also touched upon the revisionist forays of the said countries. Vivid exchange of positions and thoughts followed with an eye on stability and security in the area, including Greece's own vital concerns.
