The circle of ΣΤΡΑΒΩΝ hosted today June 11, a working luncheon with the Ambassador of the Hellenic Republic to Sofia, H.E. Mr Dimitrios Chronopoulos. Views were exchanged on the domestic political scene and the concerns of the citizens of Bulgaria, the migration challenge, the dynamics of the relations and the common march to the future of the two neighbouring countries, while the distinguished guest outlined the security picture in Eastern and Western Balkans, as well as in the Black Sea area. Mr Chronopoulos thoroughly analysed external policies of Bulgaria, touched upon its energy outlook and profile, the EU and NATO policies with regard to this member country and the multifaceted/comprehensive co-operation between Greece and Bulgaria, a country which owing to its geographical location is a cornerstone for stability in S.E. Europe.
